

Roweca Standard Serving Board

Palette Board

Code	Inches	Millimetres	Price Each
ECSPAL30256	12 x 10 x 1/4	300 x 250 x 6mm	£20.40

The Palette Board is a multi-purpose board capable of allowing for elegant food display and presentation as well as effective food preparation, cutting and chopping. Made from a special wood-fibre and crafted with round edges and finger holes for storage and stacking ease. The Palette boards are heat resistant to temperatures up to 350°F. The Palette boards allow for good food presentation and are 100% dishwasher friendly for cleaning after use.
