

*Passion for Excellence*

## Quality Policy

The **Partwell Group** is a family owned company in the business of Manufacture. Specialising in the areas of Plastic sheet and Engineering, Carton and Box Die Making and Light Catering Equipment industries.

We make and distribute products safely, complete and on time as efficiently as possible and to the satisfaction of our customers through the setting and advising of our KPI's. Underpinning our commitment to quality is our Quality Management System which complies with the requirements of BS EN ISO 9001: 2015.

### *All our people commit to;*

- Operating a continually improving Quality Management System and to ensure the satisfaction of our customers
- Ensuring the availability of necessary resources
- Complying with all relevant legislation & safety requirements
- Driving out waste and being cost efficient

### *We will achieve this Mission through;*

- Listening to customers and monitoring feedback
- Providing the necessary resources for training and ensuring responsibilities and authorities are communicated
- Providing and maintaining the necessary technology for data management, communication, manufacturing and distribution of goods
- Continually communicating and Implementing our Quality Management System
- Ensuring our team is trained and focused to deliver against our quality standards set out clearly in procedures and policies
- Audit and review the effectiveness of our QMS and assessing the opportunities for its continual improvement
